What Clients Are Saying

My reading with Breanne was wonderful! Breanne was so sweet and intuitive. I could feel the love and compassion as she delivered her reading to me. And she was "Bang on!" I resonated with everything she said. Next, I am looking forward to booking a Feng Shui session with her to make my newly renovated home feel even more special! Thanks Breanne!

Bre has really helped me understand what energies lay within my home. She gave me really easy ways to cure or activate certain sectors. She was easy to work with and really responsive to all my questions

- Maria DeCosta

I had the most magical tarot reading with Breanne and can honestly say it was by far the most accurate and in depth reading I have ever had (and I have had many!) It's more than just a typical card reading. Her loving, intuitive presence opened a calm space where I could truly feel into her words and felt so safe expressing any emotion. I am so grateful to have found Breanne and really looking forward to our next session.
